- 57 GÖKLER İLGIN, (2008). Prediction of psychological adjustment in children with chronic illness and their families depending on a conceptual model based on systems perspective and social-ecological approach, Ankara University/Institute of Social Sciences/ Clinical Psychology

Research Grants

1. The Adaptation Process of Refugee Children: The Effectiveness of Psycho-Educational Play Program and Virtual Reality Applications Start: 15.09.2019, Finish: 15.03.2021Dz:15 June 2022, Buget: 217.125.00 TL, Role in Project: Project coordinator.
2. Evaluation of Mental Functions in Specific Learning Difficulties and Effectiveness of Intervention Methods. (TÜBİTAK 1002 Project, Project No: 119K046).Start: 01.07.2018, Finish: 01.07.2019, **Project coordinator**
3. Short term national individual consultancy on advocacy and awareness -raising for children within the social cohesion programme-UNICEF. Review and advance the content of the MUYU Social Cohesion Booklet, games and WEBpage for refugee children Developing new stories and games. **Consultant** (2017-2018).
4. 1 -15 Session Psychosocial Intervention Activities for Children Attending Turkish Teaching Centers (5-17 Years): Şanlı Urfa, Mardin, Gazi Antep. Revision of application books (Child-adult), Pre-test Preparation of post-test questionnaires. TURKEY RET International (March to November 2017) **Academic Consultant**
5. Psychosocial Intervention Applications After Traumatic Experiences. 8-Session Psychosocial Intervention Activities for 5-17 Years Syrian children Continuing in Turkish Teaching Centers). RET International Content suitability and effectiveness measurement. **Consultant**. April to November, 2017
6. Psychosocial Intervention Applications After Traumatic Experiences. 8-Session Psychosocial Intervention Activities for 18-25 Years Old Young Adults Continuing in Turkish Teaching Centers). RET International Content suitability and effectiveness measurement. **Consultant**. April to November, 2017
7. Development and Evaluation of Usability of a Standard Oral Reading Test for Assessment of Reading and Comprehension Development of Children with Specific Learning Disabilities between ages 7-14). (TÜBİTAK 3501 Project, Project No: 113K310). Start: 15.10.2013, Finish: 15.10.2015, Buget: 183.802 TL, Role in Project: **Consultant**.
8. Revision of Two Training Programmes for Juvenile Justice Professionals in Turkey, Facilitation of Training of Trainers & Development of Monitoring & evaluation System. "Justice For Children" Project (Tr2010/0136.08) EU Funded (2013) **Key Expert**
9. Development of a Standard Reading Aloud Test and Evaluation of Its Usability in the Evaluation of Reading and Reading Comprehension Skills Development of Children Aged 7-14 with Specific Learning Disability, TUBİTAK PROJECT, **Consultant**, 15/10/2013 - 05/05/2016
10. Standardization and Adaptation of Wechsler Intelligence Test for Children IV to Turkish Adults), TUBİTAK-SOBAG Project No: 111K247. **Researcher**, 15.01.2012- 15.01.2014.
11. Standardization and Adaptation of Wechsler Intelligence Test for Children IV to Turkish Children) TUBİTAK-SOBAG Project No: 107K493. **Researcher**, 2010-2012.
12. Offender Profiling and Risk Assessment in Sexual and Violent Offenders, Crime Analysis in Turkey, -TUBİTAK 1001, Project Coordinator, 01/01/2009 - 01/04/2011 TUBİTAK-SOBAG Project No: **109K088. Project coordinator**
13. Vineland Adaptation Scale 4-8 age adaptation and standardization study, Ankara University BAP PROJECT, **Researcher**, 31/12/2003 - 02/08/2007

Administrative Experience

Head of Department 01.04.2016-19.07.2022	Ankara University/ Institute of Forensic Sciences/ Department of Forensic Psychology
Head of Department 2010-2013	Ankara University/Faculty of Language, History and Geography /Dept. of Psychology/ Dept. of Clinical Psychology
Head of Department 2003-2013	Ankara University/ Institute of Forensic Sciences/ Department of Forensic Psychology

Awards

Turkish Journal of Child and Adolescent Mental Health (TJCAMH) Research Award, Turkish Journal of Child and Adolescent Mental Health Journal, 2011

Prof. Dr. Mualla Ozturk Child Mental Health Research Award, Turkish Psychiatric Association, 2010

National Neonatology Congress Research Award, National Neonatology Congress, 2008

VI. National Social Psychiatry Congress Dr. Rasim Adasal Scientific Award, National Social Psychiatry Congress, 2001

Prof. Dr. Mualla Ozturk Child Mental Health Research Award, Turkish Psychiatric Association, 2001

Prof. Dr. Mualla Ozturk Child Mental Health Research Award, Turkish Psychiatric Association, 2000

Courses (2022-2024)

Graduate
