## WORK EXPERIENCE

**10/09/2021 – CURRENT** – İstanbul, Turkey

### English Teacher

Özel Beykoz Açı Koleji

- Did a need analysis at the start of the term and prepared my materials according to the pupils
- Planned and delivered lesson plans, and incorporated various English teaching methods
- Motivated pupils to embrace the use of English in their daily routines and showed them how they can engage with English in a fun and meaningful way
- Encouraged students to speak freely in a friendly environment where they feel secure and motivated
- Coordinated student activities and trips to cultural institutions to foster a greater learning experience
- Assigned homework and administered exams to help students understand the course material and challenge their thinking process
- Communicated student progress to their parents, and discussed what we can accomplish with coordination

**10/2020 – 06/2021** – Edirne, Turkey

### English Teacher (Trainee)

Edirne Sosyal Bilimler Lisesi

- Planned and delivered lesson plans, and incorporated various English teaching methods
- Encouraged students to speak freely in a friendly environment where they feel secure and motivated
